

GATHER THE WOMEN

Gather the Women from all around
Colors and countries, sizes and shapes, beauty abounds!
We are the ones, we are the ones, we are the ones we have
waited for!

Gather the Women wisdom and song,
Honoring spirit, feminine grace, waited so long!
We are the ones, we are the ones, we are the ones we have
waited for!

instrumental

Gather the Women from all around
Colors and countries, sizes and shapes, beauty abounds!
We are the ones, we are the ones, we are the ones we have
waited for!

We are the ones, we are the ones, we are the ones we have
waited for!
