

Made for These Times

Written for 2017 Women's March, Washington, D.C.

We are Made for These Times

Made to march, made to shine

(repeat substituting these verbs for march: sing sew dance dream hope, chant, etc.)

Hats and boots, Hearts and brains

Sun or snow, fog or rain

Not silenced by hate or fear

We walk for all we hold dear

We will not fall back in time

Ever onward we will shine.

We are Made for These Times

Made to march, made to shine

(repeat substituting these for march: sing sew dance dream hope chant, etc.)

Hats and boots, Hearts and brains

Sun or snow, fog or rain

Not silenced by hate or fear

We march for all we hold dear

We will not fall back in time

Onward always we will shine.

tag: repeat after final verse
