

# WELCOME ANGELS

Welcome Angels to my home.  
Welcome to my waiting heart.  
Welcome from my longing soul,  
Angels from the Heavens.

Welcome Angels on this night.  
Tend me as I sleep and dream,  
Growing to be strong and kind  
Like the Angels in the Heavens.

Instrumental

Welcome Angels as I wake  
To the beauty of our Earth  
Fill my heart with love today,  
Sweet Angels from the Heavens

Repeat first verse  
tag: Angels from the Heavens.
