

Detour Road in G

If **Love** doesn't get you there fast enough,
(I can promise you) **Hate** won't get you there any faster
When you get to that Wishbone in Life's Highway
Choose **Love** or you'll be on a Detour Road.

Peace/War

If Love doesn't get you there fast enough
Maybe you should just slow down.
Breathe in the scenery along the way
Smell the posies, sing a little song...

Compassion—Judging

Gratitude—Greed

If Love doesn't get you there fast enough
Maybe you could take another look.
