

**Joyce Johnson Rouse, AKA Earth Mama®**

**Joyce Rouse is a composer, educator and recording artist, based in Virginia. She has toured North America, delighting audiences for decades as musical performer Earth Mama, singing for climate action and sustainable living. She has been featured on numerous radio and TV shows, music festivals, and in various clubs and concert halls. With over 150 recording credits of her songs, her lyrics and her works have been featured in books, articles and textbooks worldwide.**

**As Earth Mama she has fourteen albums to her credit, including the recent *HerStory* album and just released *LovingKindness* CD. For a world much in need of LovingKindness, these interfaith songs of contemplation and celebration for a traumatized world much in need of Loving Kindness.**
